DEDICATION

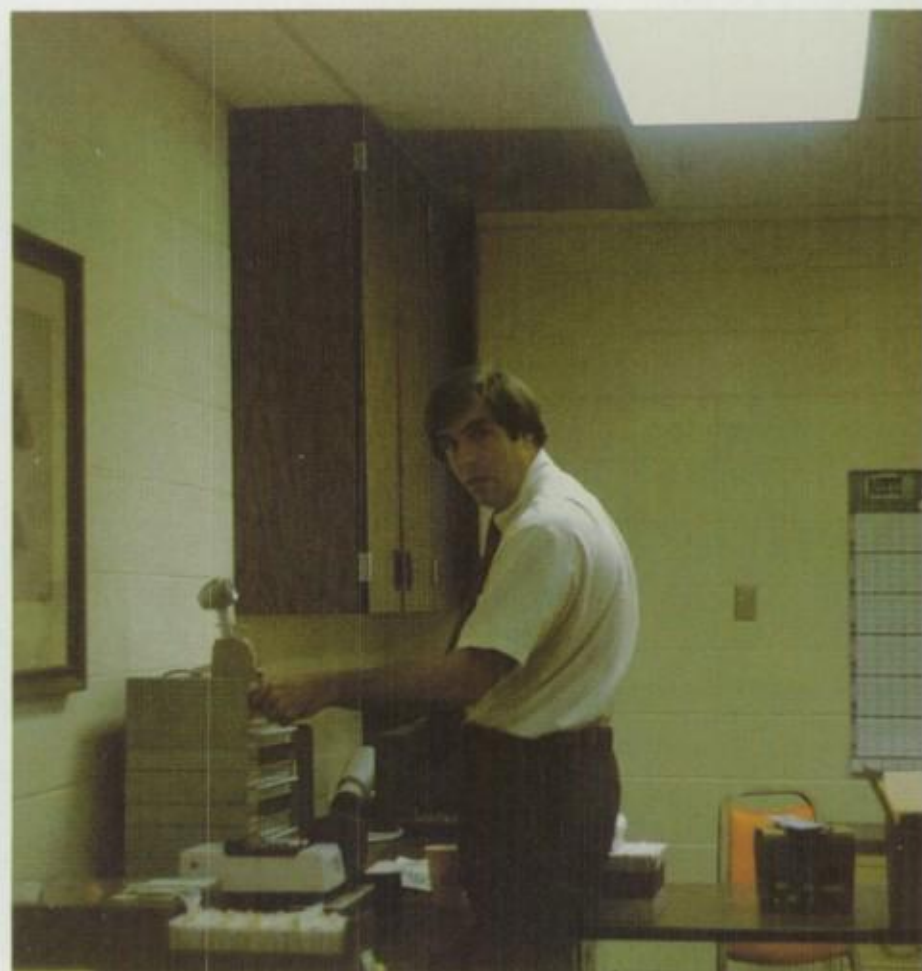

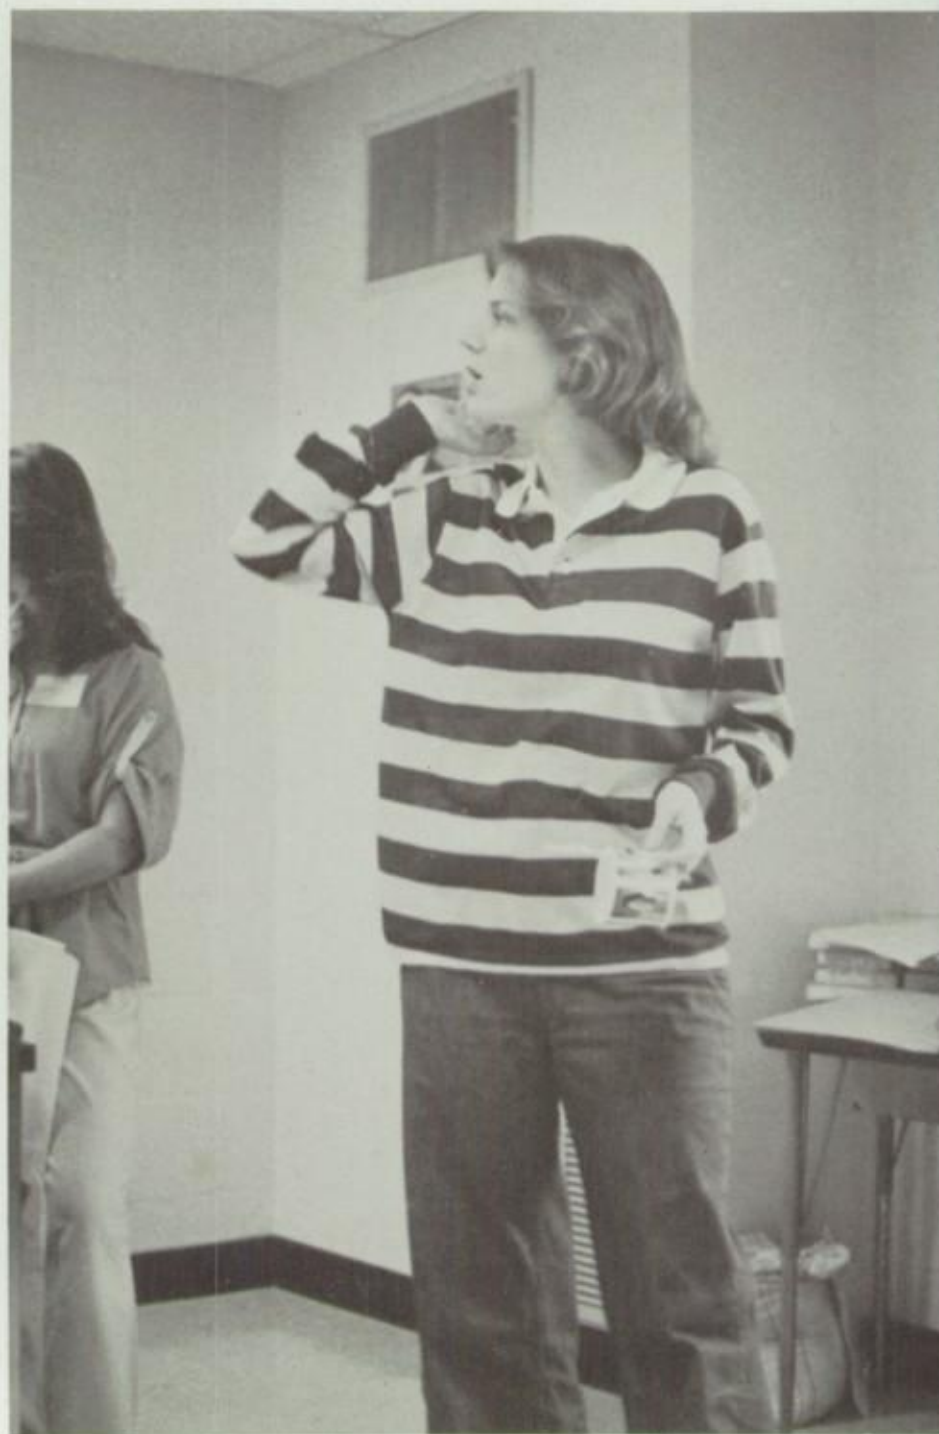

The 1978-79 Bear Facts is dedicated to Mrs. Sandy Ledbetter, better known as "L.B." L.B. is the sponsor of P.A.'s Senior Cheerleaders. Said one cheerleader of their sponsor, "Mrs. Ledbetter is a friend to every cheerleader. She's there when we need her no matter what." A political activist, Sandy Ledbetter is a member of the executive committee of the County Democratic Party and Chairman of the Democratic Campaign 1978. She likes to play tennis and golf, and is an avid reader. Mrs. Ledbetter contributes in the classroom by teaching American Government, History, and Contemporary Issues and World Geography. When asked if she planned to do anything out of the ordinary in her class, the reply was, "always".

Macho Man!

This infuriates me!

Short people got no reason to live.

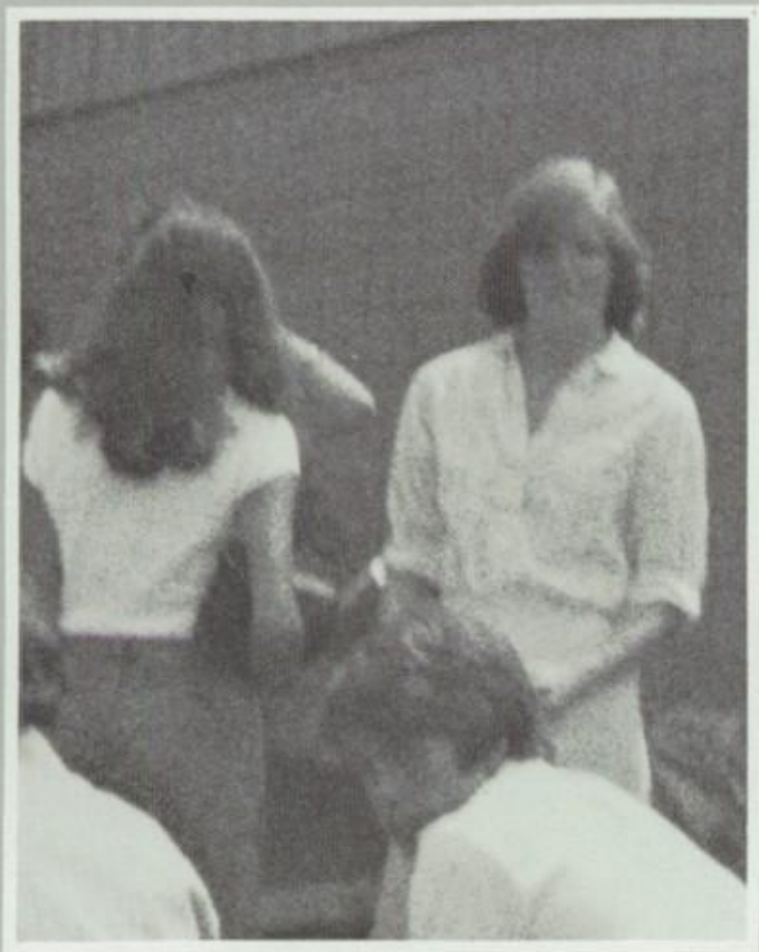

Senior thought power.

I can't believe it!

FAMILIAR FACES

Not again!

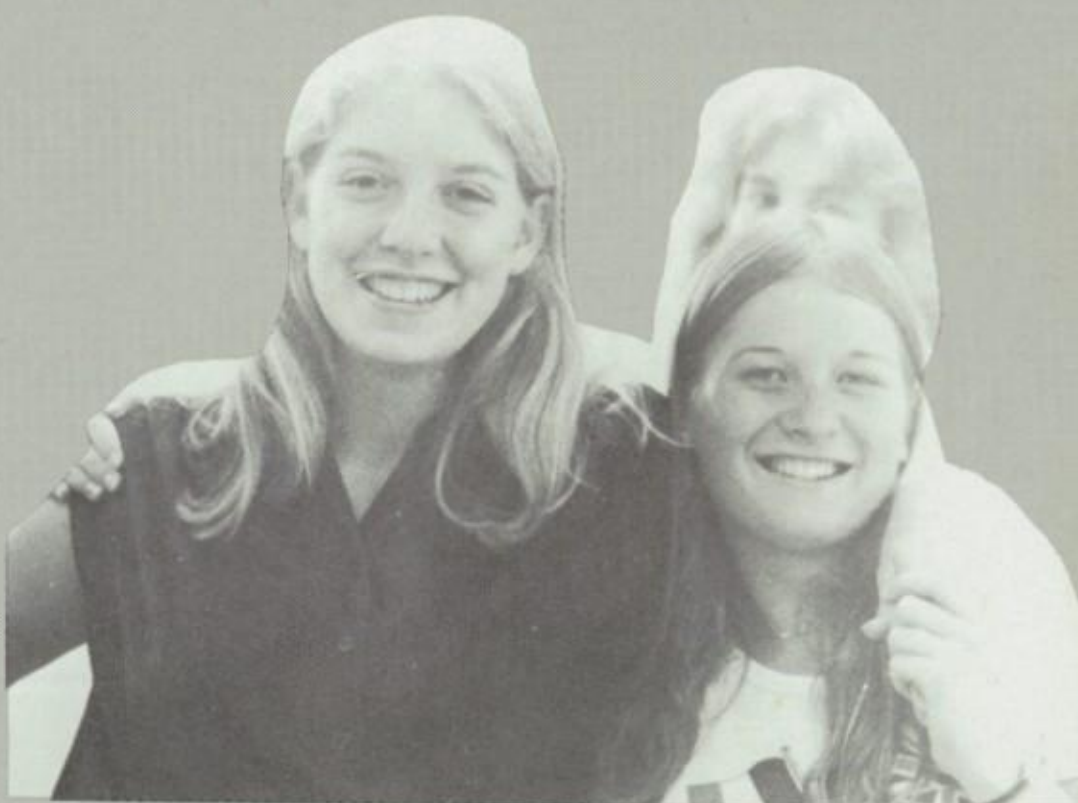

Uh, Munsey, guess what!

Not now, we're being watched!

Friends, side by side.

Kerri Swink shows her new friend around school.

Jody Taylor gets used to crowded halls, again.

Is it Monday already?

They actually bought new tables and chairs.

Lauri Holton and Shelley Hagan show excitement of becoming Juniors.

I actually understand this stuff!

Jett Ricks shows common reaction after a history test.

Karen Starr caught in a moment of concentration.

MISS P.A.

Last year's Miss P.A. Pageant was a very thrilling and exciting event for all the "girls". They all worked long and hard for the pageant and it turned out to be a great success. Although there were many lovely ladies to choose from, Miss Lulu Lile was crowned "Miss P.A." She thrilled us with her poise, charm, and beauty. Lulu Lile was the perfect image of true loveliness.

Dolly Parton watch out!

Lulu Lile makes a pass at Roxanna Pilcher.

"Walk this way."

"Hi there."

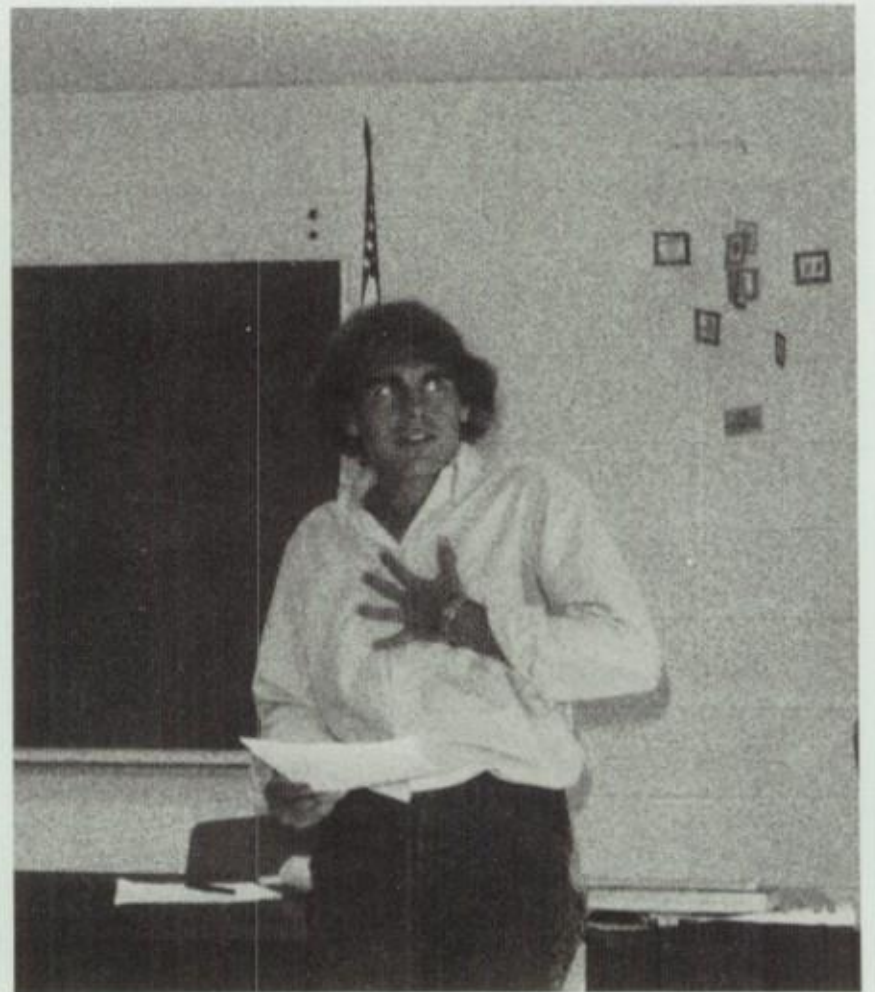

Beautiful Bankston reveals her true profession.

Farrah Frasier demonstrates her graceful walk.

Scott shows us the "proper" way to eat a Little Debbie.

"How do I love thee?"

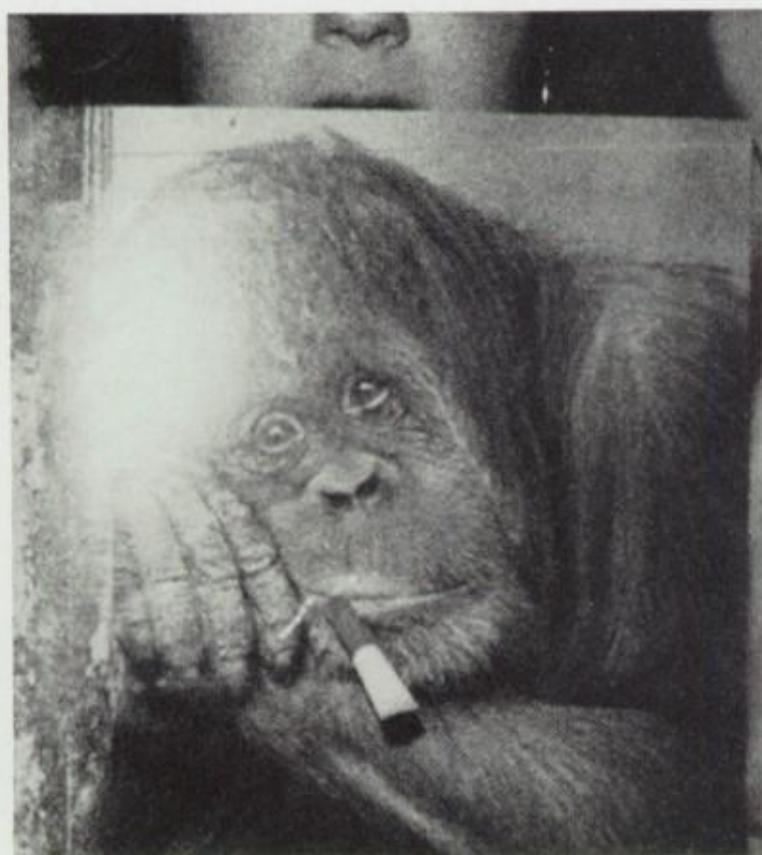

"Watch out! I've got a black belt in Karate!"

Did she ... or didn't she?

"Oh, guys! Flattery will get you nowhere!"

Smoking really brings out the ape in you.

Ruthie demonstrates the latest movement in Women's Lib.

This is a popular scene at lunchtime. Often drink order problems require special attention.

Have you heard of "pitching pennies"? Apparently the senior boys have. They brought the sport back this year, except they pitched their senior rings instead of pennies. This peculiar habit, which occurred at Free Time, illustrates their maturity and imagination.

MM, MM, GOOD!!

Scott demonstrates his violent nature. What did you say Janice?

Another familiar sight during lunchtime is the celebration of birthdays.

The Mighty Bruin!

Jr. Cheerleaders show spirit at away football games.

Don't distract me, you're breaking my concentration!

Sally, doing what she does best.

BRUIN SPIRIT

While the Sr. Cheerleaders do their stuff, Sally waits for Karen's dismount.

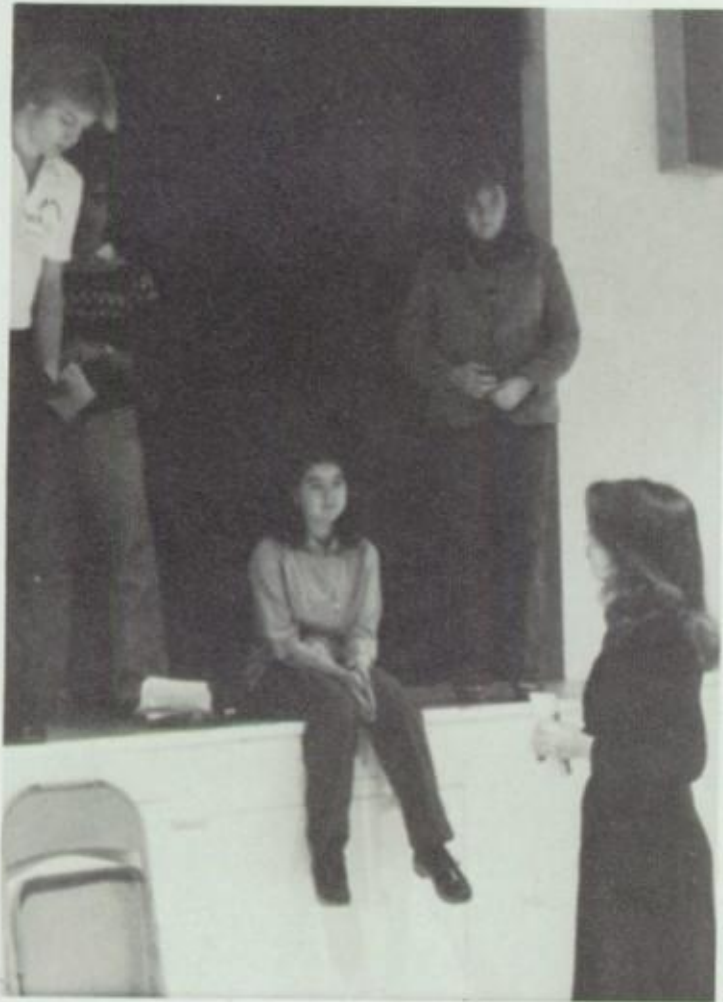

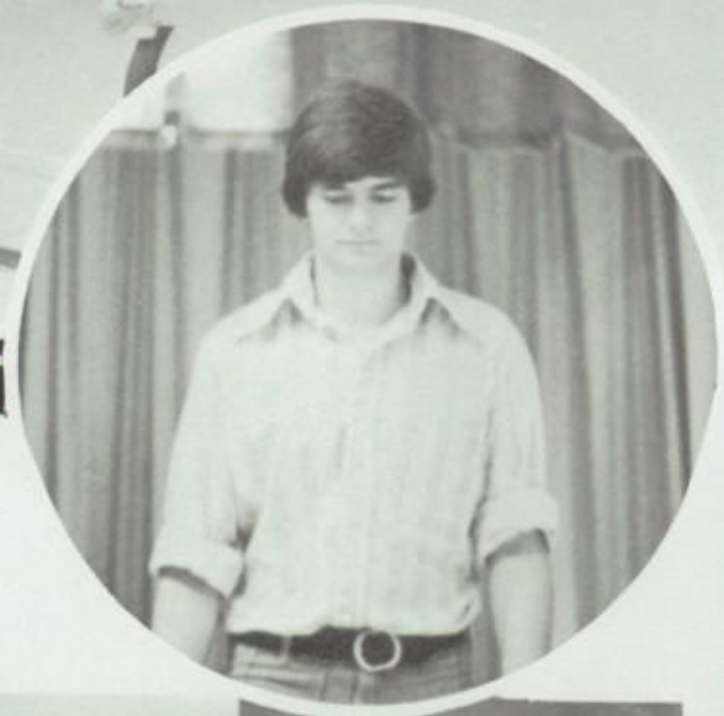

Gwen, ABOVE, shows her spirit at home games.

"Look Mom!!!"

The 1978-79 Junior Class, under the direction of Kerri Swink, has been busily at work to raise money for the prom. Even before school started, they held a car wash to raise money. Since school started, they have sold magazines, which were a big success, fundchexs, washed cars at Cliff Peck and had an Arby's Day to raise money. They are all very united and cooperative in the money making projects. When asked, Kerri Swink commented "The Junior Class is really doing well and I think that this year was very successful."

Did you ever hear the rumor that football players are kind of slow? Well, here's the proof ... We asked all these guys to bring us their pictures but they just plain forgot ... except one, Price Gardner, who deserves credit for showing that linemen are the brains behind the brawn.

CLASS OF '79

BEST ALL AROUND

It's easy to see why Howard McCain and Melody Ricks were chosen as this year's Best All Around Seniors. Wherever there is any activity around P.A., you can be sure to find Howard or Melody. Howard is very active in athletics, playing both Basketball and Football for three years. He was also a Boy's State delegate in his Junior year. There's not enough room to list all of Melody's achievements, but among them you'll find that she shares her time with service and social honors. For example, she is the Senior Class Vice-President, and was on the football Homecoming Court in her Senior Year. She was chosen Who's Who among American High School Students. Congratulations to these two deserving seniors!

I am going to have to tell you just how important I have been. I learned how to write, think, not only begin to find myself - not your class has been a challenge, and my senior year would have been quite empty with out it. Of course I can't thank you enough for your help in the college now! I ended up here, but I am certainly glad about it! Well, thank you once again for all your help and comments! Yours, Ashley

• Mr. E. -

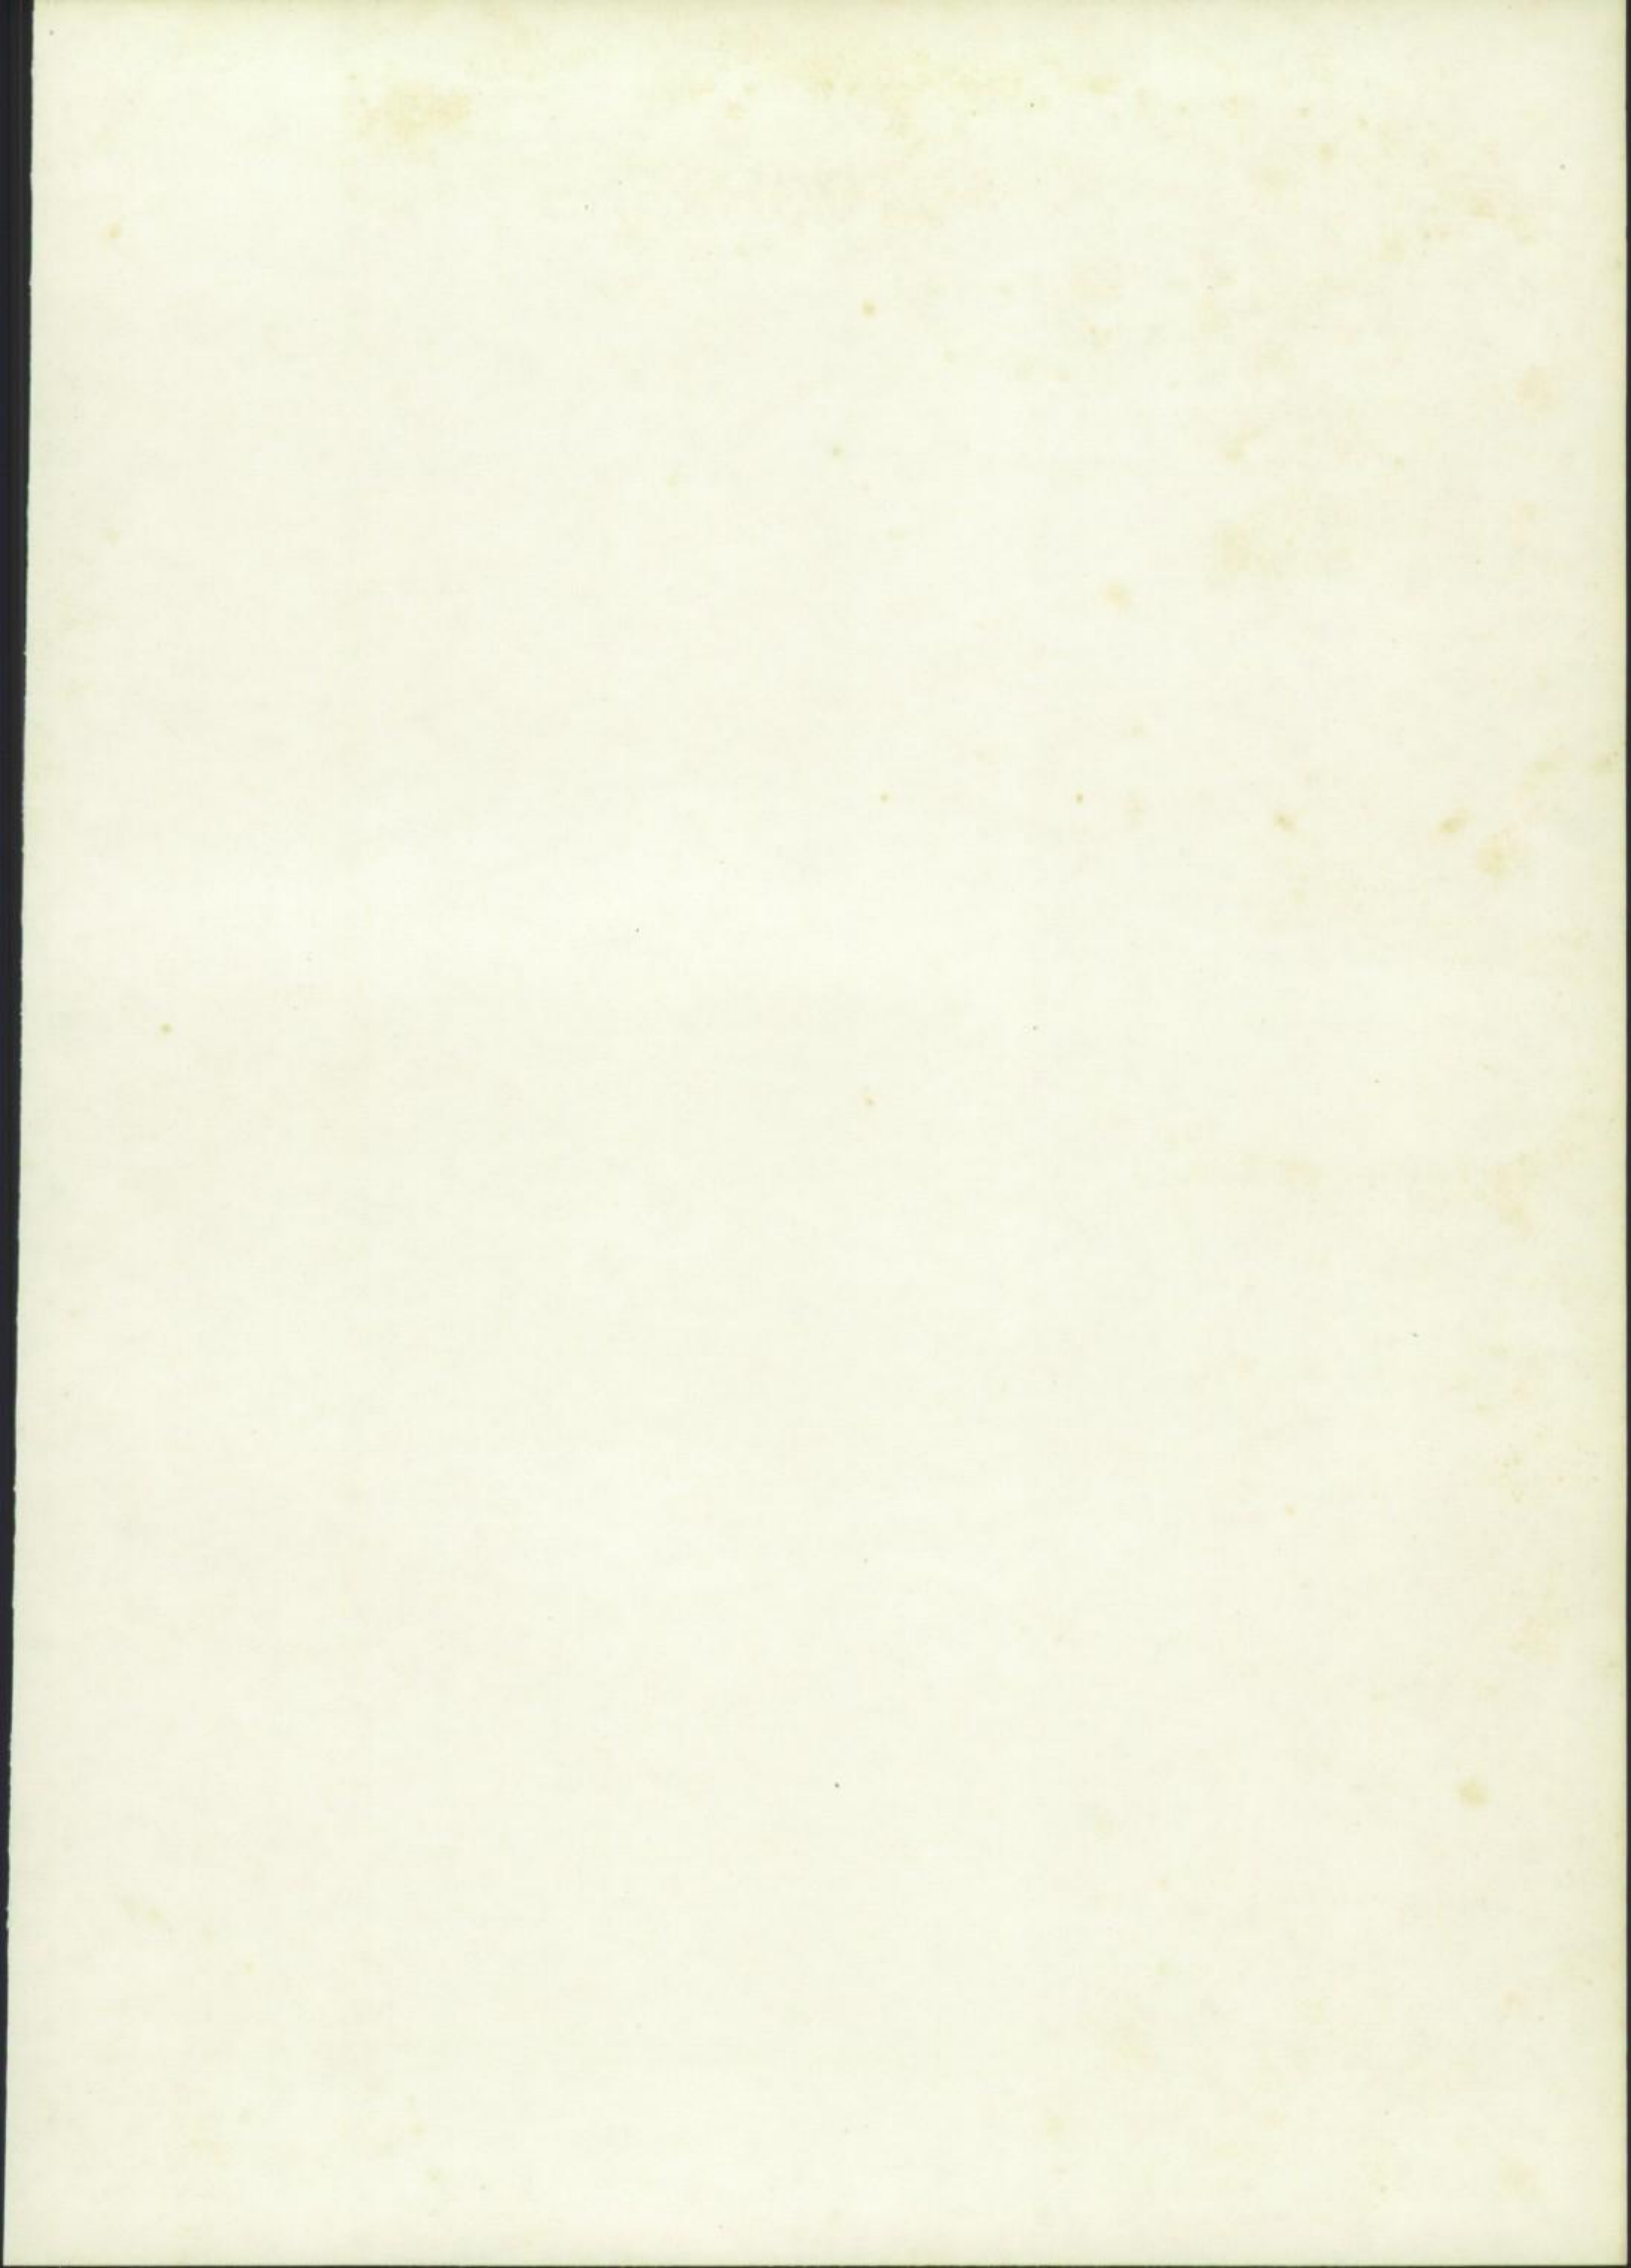

It's definitely been an experience being your student (enlightening but an experience!). I'm very glad that I had such an opportunity to be taught, advised, and challenged by such a man as you. I thank you for all of your help and all the "seeds you planted". I will always admire and respect you. You have made me think of things in depth - below the surface and I feel that I have ^{grown} ~~gained~~ from that. I hope one day you can be proud of me ~~as~~ as a human being. Thanks for everything.

MR. EDGELL,

I CAN HONESTLY SAY THAT I'M SORRY
I DIDN'T HAVE YOU THE ENTIRE
YEAR.... BUT OF COURSE THERE'S
ALWAYS NEXT YEAR.

THANK YOU FOR MAKING ME THINK;
SOMETHING ALL OF US NEED TO BE
DOING A LOT MORE OF!

HAVE A NICE SUMMER.

Sincerely,

Chris Richards
